cially to cotton-the main product of tablished direct lines of rallway commu- ple. nication with the east and north, and Memphis may now be made the gateway GOVERNOR JOHN C. BROWN CLINGS through which all this trade will pass. The agricultural products of a vast, rich and prosperous region may find in Mam-

We need only build a railroad from Bluff or Madison, a road sixty miles in length would tap the valley of the Arkansas at Pine Bluff, securing its invaluable

From Pine Bluff the distance to Camden on the Ouschita is sixty-five miles Last year 28,000 bales of cotton were ship ped from Camden. Camden has secured charter for a road from that place to Lanesport in the "Big Bend" of Red river. Its length will be only one hundred miles, and the road will be built, off seven hundred miles from the rait to cotton were produced on and near the banks of this river, which lost fifteen dollars per bale for want of transportation to New Orleans, With a road built to Camden, this cotton would be carried up or down the river to the terminus, at a cost of two dollars per bale, and brought to Camden for two dollars more, making a thousand bales of cotton were brought in wagons to Camden last year from the country through which this road runs, at an actual average cost of sight dollars per bale, and three times this quantity of cotton; with large quantities of wheat would be raised in the same section, if a certain and chesp means of transportation existed. The cotton production of the upper Red river valley would be quad- the old land yet"-life in the Democratic river from the prairie counties of Texas, find the tollowing appeal in the Union and the best wheat growing region on the American of Wednesday: continent and a large portion of the trade

sippi, Ouachuta and Red Biver Railroad which, beginning at Eunice, two hundred and fifty miles below Memphis, on the Mississippi, crosses the Ouschita at Camden, and Red River at the cut off, one hundred and fifty miles below Lanesport and fifty miles above the rait. It connects at Texarkana, twenty miles beyoud the river, with a road already gra-

This Texarkana and Dallas road penetrates a country famous for fertility, prolucing almost as much cotton per acre as the Arkansas bottom lands, and giving an average of more than twenty bushels of wheat for every sore. At presof exporting the products of this rich valley. At Dallas this road would meet the great cattle droves from western Texas, on their route to Abilene, Kansas, seeking transportation to the Northwest; and this immense cattle trade could be at once diverted to ting and anconquerable spirit, Memphis. From Camden to Shreveport a road built one hundred miles would give Memphis connection with the Texas Pacific which stretches its various branches and connections all over tha great empire of Texas, its immense east-ern trade at Shreveport, would seek mar-styles, and the always serviceable Bal great empire of Texas, its immense eastkets in the east, through Mamphia, a point on the shortest line from Shreve.

power. Every county on the line will sub-scribe \$100,000 of its bonds; Pine B'ori and Camden will contribute fiberally, and Shreveport is munificent in railroad sub-scriptions. The people on the entire line will subscribe their bonds and these bonds will be valuable beyond computation when the road is completed. The county and city bonds and land grants will turn ish the road-bed and crossities, and a mortgage will give the iron and equipments.

This Shreveport road will make Memphis one of the great cities of the continent, which cord and tassel made of blue flants with cord and tassel made of blue flants. enabling this city to defy all competition The fruit is ripe and ready to be plucked. Can we suffer it to be grasped by other

port to New York city.

folly can be forgiven since their glessary and dilucidations show penitonce com mensurate with the offense. We tru this recent and weakest of all attempts to organize s new party will be the last. The btrusive guest, after being spit upon, his nose had been pulled, his hat had been mashed and himself finally kicked down stairs, discovered that he was no wanted, and prided himself on his roadiness to take hints. If the malcontents of Tennessee are not insensible, too stupid to take hints, they will discover that they are not wanted in the Democratic cousehold, especially as mischief-makers. ers. These repeated rebuffs ought to admoniah them that they cannot accomplish their treasonable purposes that defeat, in of subduing the Democracy of Tennessee, only inspires the true men with a new allegiance and fidelity to the unaitered and unalterable principles of their party. Shall we give up in Tennesses an organized, triumphan party, and sell out to an unorganized mobthat can never be made as strong as the party that the traitors would disband? Should the Democratic party ever separate its hosts, who love its memories and have fought so long under its banners, that in a jet ornament. A how of the same moment will the Southern expet-baggers ascend to power. Lee's army were nothing without discipline and organization, and when Democrate dissolve into stragging when Democrate dissolve into stragging ascend to power. Lee's army were nothing when Democrats dissolve into straggling when Democrate dissolve into straggling aquada of guerrillas, Radicalism will triumph in the South as well as in the North. The national Democratic party has never abandoned its organization, and it never intends to do so. It has always commanded the support of the Southern people, and we can see no good to result in dispersing an organized party to gratify Henry S. Foots, and to form a new party less popular, and not more pairparty less popular, and not more patriotic and powerful for good. If there are many who hate the name of Democracy, are there not still more Democrats who would hate a new name? Let the croskers and factionists growl as they may,

DEFICIAL JOURNAL OF THE CITY.

FRIDAY MORNING. : : : : : OCT 13, 1871.

MEMPHIS AND TEXAS.

It is a law of trads in this country that agricultural products gravitate eastwardity, seeking a market either in the manufacturing States or on the Atlantic series.

The project and the Constitution of the United States. Upon a basis so sollid and impregnable the waves of opposition beat in vain. Whether in municipal, state or federal elections, the Issues presented and supported by the Democracy are essentially the same. Hence the unity of this great party, which is, as it sloways has been, and will continue to be, the services of the invaluation of the inval facturing States or on the Atlantic sea- tive duty of every man enjoying its bless board for exportation. This applies espe- inga to cherish, protect and preserve. It merited triumph, or in temporary defeat Arkansse and Texas, and would apply to the Democratic party remains true to its wheat, which can be grown in immense faith and confident of its recuperative quantities in the latter State, if the means powers and final victory. Whilst the beof transportation could be found. This list in the capability of man for self-govbeing admitted, it follows, as a matter of ernment endures, so long will the Demo course, that manufactured articles for the cratic sentiment be the predominating in consumption of agriculturists must come finence in the United States. To doubt it

If anything had been wanting to crush out the new party movement proposed at phis its point of distribution. How this is Nashville a few days since, the inaugural address of Governor Brown would to be effected, is the problem for us to accomplish the job. He invades the BERLIN TRIMM'D HATS Memphia, vis Pine Bluff and Camden, to by principle and to preserve its organiza-tion. Here are his words: "Although success has overwhelmingly crowned the united efforts of the people of Tennesse in their first political struggle, after the restoration of the ballot, yet the fruits of that victory may be lost if we are not harmonious in sentiment and united in pur pose, "The impatience of some and the dis appointment of others will now and then distract our counsels and threaten our in tegrity. But LET US STAND FIRMLY BY PRINCIPLE, PRESERVE OUR ORGANIZATION, AND AWAIT PATIENTLY THE GREAT DE VELOPMENTS OF THE PUTUER, IN THE CONwhich is near the line between Arkanass PIDEST HOPE OF A SPREDT RESTORATION OF CONSTITUTIONAL LIBERTY TO THE AMthe navigability of that stream for it cuts | Kuican Prople." This is good advice and Preston, Texas. Last year 50,000 bales of increased confidence in their Governor. who seems to feer and see and know that there can never be but two parties in Radicalism. There is neither room nor excuse for guerrillas. Gov. Brown knows that when a convention of the American Democracy has clearly and finally marked out the ground to be occupied by all who Camden for two dollars more, making a desire and would secon wish the over-total of four dollars per bale. Eighteen throw of Radicalism in the speediest and most effectual manner, the little handful of growlers must come inside and stand with the Democrrcy or go outside and

THE BLAST OF THE BUGLE. The tone of the Nashville Union one American Indicates that there is "life in rupled, and wheat be shipped down the party, which can never be subdued. We Democrats of Tennessee, eternal vigila

of the Indian territories would be secured the price of liberty. To you is entrusted the duty of guarding not only the choice, but in outposts, of true republicanism. Surrends and the weakest nor the most distant. Be used to any only of the price of the price of liberty. To you is entrusted the price of the price of liberty. To you is entrusted the price of liberty. To you is entrusted the price of liberty. To you is entrusted the duty of guarding not only on the price of liberty. To you is entrusted the duty of guarding not only on the price of liberty. To you is entrusted the duty of guarding not only the choice of the price of liberty. To you is entrusted the duty of guarding not only the choice of the price of liberty. To you is entrusted the duty of guarding not only the choice of the price of liberty. To you is entrusted the duty of guarding not only the choice of the price of liberty. nittee meet in this city on the list. These words are like the blare of the trumpet sounding the charge, and we believe it will stir the hearts of all true Democrats. In his natural history, Goldsmith takes occasion to point to ded 180 miles, to Dalius, Texas. On this the butcher-bird as an illustration of the road the cars are running twenty-five value of courage. Though scarce as large miles from Eunice, west, the president as a man's fist, yet such is the known BYRD and directors assuring the people that it valor of the little bero, that he flies undismayed amid the tyrants of the air, all of for though they might come off victor in the light, yet the contest would certainly BYRD be both arduous and protracted. From such examples men maytake a lesson, and the lesson can be profitably applied in the contest between Radicalism and De- BYRD mocracy. There is every incentive for Democrats to fight with determined valor The war upon the Constitution and the iberties of the people is like the robbing of the butcher-bird's nest, and should induce Democrats to fly at the wrong-doer whatever his power, with an uncalcul-

LADIES FASHIONS

briggan, imported expressly for sale here, are some of the specialties, with the lately introduced embroidered flamed trimming.

This Memphis and Shreveport road must be built, either from Hopefield, Madison, or Devall's Bluff to Pine Bluff, either route being practicable and securing a good local trade. The people of Memphis must move in the matter. We can command money, which Arkansas cannot, but Arkansas will do all in its power. Every county on the line will sub-power. Every county on the line will sub-

The new English waterproof is exciting
admiration from battalions of feminine
devotees of fashion, and is, indeed, not tands?

THE DEMOCRATIC MUTINERS.

The new party movement, set on foot by a little tea-party of mischief-makers, at Nashville, has fixed out, and the malcontents are "rising to explain." Their robused by Stewart. This covering consists of a cloak of bolled silk, lined with rubber, and is a perfect protection from rain.

Fringo will be the trimming of the season. It is shown in every conceivable design, and arranged on every part of the dress, two rows often passing around the skirt, taking the piace of flowers, and being headed by brass bands and folds.

Jet trimming is again becoming fashion-able, and will be used on dresses and cloaks. One of the new wraps was of sealakin, bordered with otter fur, and was sealakin, bordered with otter fur, and was decidedly stylish.

Fringed cloth talmas in gay oriental colors and roman scarfs are to be much worn this season.

Embroidered velvet bands will be a novelty on winter suits, together with bias pieces of velvet cut in deep gothic points, with wide fringe inserted beneath and netted in the velvet to fill space, Handsome silk tassels will also form a pretty finish to those points.

A new style of serge and cashmere has a sain stripe bordering, which forms a most elegant trimming.

elegant trimming.

Overlapping folds of shaded tints of contrasting culors are seen on many of the imported suits. Polonalse

Veivet polonaises of the vivandier make are jaunty, and becomes few of the most graceful. This cloak has a was passing over the right shoulder, looped a the waist in a bow of heavy crossgraine ribbon, the single end of which terminate

in keeping.
